

## YOUR VISION, OUR BUSSINESS

### WELCOME TO JSP MEDIA GROUP

Isn't it time we all started having a bit more fun with our business marketing? You should try Video Marketing – it works!

Internet video marketing combines the power of moving pictures with the precision and interactivity of your business's website.

### Dental Practices

Dental Practice video production: Do you have a fantastic dental practice that you want to show off to the world? Do you wish you have some way of showing how happy your patients have been with their treatments?

## ABOUT US

founded by Jemish Patel in 2008, JSP Media Group has produced over 2,500+ hours of broadcast quality videos, ranging from corporate videos for Dental Practices and Care Homes to animations and videos for the Charity sector.

### Our ethos is

#### WHY

We believe every business should communicate with their clients in the most engaging, efficient.
